CHEMIC PRIDE -- A VERY SPECIAL TRADITION

ABOUT MIDLAND HIGH SCHOOL

Midland High School is a comprehensive four-year high school. The building was first opened to students in September, 1956. It is situated on 50 acres of land. The building is open Monday through Friday at 6:30 a.m. Students are asked to leave the building 30 minutes after their last class unless they have a school activity. Main office hours are 7:00 a.m.-4:00 p.m. Monday - Friday.

Dance Policy

When dancing, students are to face each other, remain vertical and avoid any type of grinding. Students not following this policy will be asked to leave. Guest passes for dance guests are available in the Student Services Office and must be completed 48 hours prior to the dance.

Driving and Vehicle Registration

Driving your car to school is a privilege. Any car you drive to school must be registered in order to park on school property. There will be a charge of \$50.00 to register a vehicle and obtain a permit. The sticker permits must be adhered to the lower left rear window (driver's side). The sticker must be visible. Vehicles not registered will be ticketed and may be towed or booted. Provisions have been made for student, faculty and public parking. Students should park in designated student areas at all times. There is heavy traffic in and around the building each day. Please observe SAFE driving practices. Here are some reminders:

- Observe all stop signs and warnings when entering and exiting the parking lot.
- Park between yellow lines only, not on the lines.
- Fire lanes and yellow curbs indicate "No Parking".
- Blue lines, blue curbs and signs indicate "Handicap Parking" only.
- Park only in student-assigned spot. **DO NOT park in the staff parking lot.**
- Observe the 5 mph speed limit at all times when in the parking lots. There is heavy traffic in and around the building each day.
- All vehicles must be locked every day. Midland Public Schools is not responsible for stolen property.
- Driving your car to school is a privilege which can be revoked.
- Proper respect shall be given to the Security Guard at all times.
- A student who operates a vehicle upon school property is considered to have given consent to a search of the vehicle with cause by school officials or police officers. Search may include the passenger compartment, engine compartment, trunk and all containers, locked or unlocked in or on the vehicle. A parent or guardian who grants permission for his/her student to operate a vehicle on school property is also

considered to have given such consent to search of the vehicle.

- Trash should be disposed of in the proper receptacles.
- If a student drives on school property when driving privileges have been suspended, the student may lose driving privileges for the remainder of the semester.
- Suspension of driving privileges for moving violations at one school applies at all other schools.

During any suspension of driving privileges, the student may not drive or allow his/her vehicle to be driven by another student.

Police will ticket any vehicle parked in a designated fire lane or handicap spot without authorization from the Secretary of State's Office. Parking violations issued by the police or assistant principals may result in the loss of the privilege to park on school premises. Illegally parked cars may be towed or booted. If you need to go to your car to retrieve a forgotten item, you must sign out in the Student Services Office before going to your car and sign in upon return.

Illness at School

In case of illness during school hours, students MUST report to the Student Services Office. A parent/guardian will be contacted and provisions made for students to be excused for the rest of the day.

The sick room is available for situations where a student needs only a short time to rest to be able to finish the school day. Students may use the sick room once each semester. The student will sign into the sick room at the Student Services Office, noting the time. After an hour the student will either call a parent/guardian and go home or return to class.

If the student goes home, the parent/guardian will be contacted in advance of their leaving the building.

While in the sick room, students must follow these rules:

The door must remain open at all times.

The lights in the room must remain on.

At no time should there be more than one person using the sickroom.

Lockers

Lockers are school property. Each student is assigned a locker and combination at the beginning of the school year.

DO NOT CHANGE LOCKERS. A record of locker assignments is kept in the main office. This information may become important in case of illness or emergency. Taking care of the lockers is the student's responsibility. Periodic locker inspections may be scheduled during the school year and inappropriate materials may be removed. Care should be taken not to SLAM doors as this destroys the combination lock. **Students should keep their lockers secure by not sharing the combination with others. Care should be taken to be sure lockers are locked after closing the door.** Lockers are not meant as storage areas for money or valuables. They are in no way completely secure. Items of value may be checked in at the Student Services Office. At year-end, students are responsible for locker clean out and book return.

Lunch Hour

Lunch hours are determined by a student's fourth hour teacher's lunch hour. Students have 30 minutes for lunch each day during which time they may leave the building or eat in the school cafeteria, the front courtyard or Eyeball Alley. Students are expected to clean up after their lunch and get to their next class on time. Students are not allowed to go on the 1st and 3rd floors during lunch so classes are not disrupted. The cafeteria offers a well-balanced, complete lunch to all students and reduced rates to those who qualify. Lunch menus and information regarding lunch accounts may be accessed on the MPS web page at www.midlandps.org.

Students can earn the privilege of open campus at lunch by passing at least five of six classes or six of seven classes at the end of each nine-week marking period. Incoming freshmen who have two or more E's on their final middle school report cards will need to stay on the high school campus during lunch until such time as they meet the five of six or six of seven standard.

Messages to Students

Emergency messages to students from parents only will be delivered through the Student Services Office. No other messages, flowers, candies, etc., will be delivered to classrooms.

MIDLAND PUBLIC SCHOOLS COMMON POLICIES

Student Code of Conduct

The School District must balance the interests of students and the community in a safe and conducive educational environment with its duty to provide educational services to student who engage in misconduct and behaviors that interfere with the safety and the delivery of educational services. Board of Education policies addressing student misconduct and this Student Code of Conduct are intended to strike that balance. However, these documents do not limit the School District's lawful authority. All students and parents are expected to review and be knowledgeable of the information included herein annually.

Note: Due Process Rights and disciplinary procedural practices are included in the Student Code of Conduct.

Annual Notices

Per statute, the Midland Public Schools must notify stakeholders of applicable state and federal laws. All students and parents are expected to review and be knowledgeable of the information included herein annually.

Athletic Handbooks

The Midland Public Schools believes that utilizing the privilege of participation in interscholastic athletics provides an irreplaceable experience in fellowship and teamwork in competitive, publicly exposed circumstances. Competition helps nurture, develop, and test ethical principles and attitude. In athletics one can observe the importance of leadership and the need for the acceptance of authority and responsibility. Morals learned in the athletic arena, whether in victory or defeat, are a critical part of the development of young adults. All students and parents are expected to review and be knowledgeable of the information included herein annually.

High School

Regular school attendance is essential in promoting responsibility and success in our programs. With this as our goal, we aim to promote a responsible attendance pattern for our young adults. Our policy, therefore, reflects the premise that all absences whether excused or unexcused result in the loss of instructional time. Daily teaching and interaction of students and teachers cannot be duplicated.

Midland High School and H.H. Dow High School have a 10-day maximum attendance policy per semester per period. Excused and unexcused absences are included in the 10-day maximum. School excused absences and documented medical absences do not count towards the 10-

day maximum. Truancy protocols will be enacted for students found to be in violation of this policy.

To report an absence please call **989-923-5190** within 48 hours of the missed hour or day. Failure to report an absence within 48 hours will result in an 'Unexcused' designation. The automated Phone-Master system will call home to parents of any absence that has not been excused. If a student is absent for medical reasons (i.e. dentist, orthodontist, doctor appointment for illness), parents must provide the office with a physicians' note of verification for the hour or day of absence in order for it to be recorded as medically excused.

Students will be responsible for all course work due on the day of the school excused absence. This includes turning in any assignments due on the day of the absence. If the school excused absence is for an entire school day, class assignments may need to be turned in the day before the absence. Communication with teachers is the responsibility of the student.

If a student is going to be absent for more than three days, a parent/guardian should contact the Student Services Office to request homework assignments or contact the teacher directly. In all other situations (including school excused absences), it is the student's responsibility to request the missing assignments and to make arrangements with the teacher for support. Communication with teachers is the responsibility of the student.

Learning to be punctual is important to a student's success in school. Tardiness will be defined as "failure to be in the assigned classroom when the bell rings." Whether the student must be in the assigned seat or not is the decision of the individual teacher. Students will be notified of the teacher's preference at the beginning of each semester. A student is considered tardy from the time the bell rings until five minutes after the class has started. Unexcused absences may be recorded if the student arrives after five minutes. The tardy count and penalties will be reset each semester. Tardies are not excusable.

Tardy#1, Tardy#2, Tardy#3 per semester will be handled by the classroom teacher. Tardy #4 and any additional tardies may result in a referral to Student Services for additional discipline, as well as result in not being able to make up any missed work during the time of absence. Excessive tardies may result in suspension from school for open defiance. Failure to serve detentions can/may result in a suspension from school.

If a student exceeds 10 absences in one course during a semester, excluding SE and MED, regardless of whether the absences are excused or unexcused, the student must complete the course by taking a final examination, or alternate teacher created assessment. If the student demonstrates mastery of the course content by earning a 70% or higher on the final assessment the student may earn

credit for the course. The student's final semester grade in the course will be based on the average of the two marking period grades (weighted at forty percent each) and the final assessment (weighted at twenty percent). If the student earns less than a 70% on the final examination or assessment, the student will not earn credit in the course.

If you are eighteen and would like to be responsible for your attendance you must sign an adult waiver with the Student Services Office.

Counseling

Each student is assigned a counselor at the time of enrollment. This counselor should become a significant part of the high school experience. Counselors are able to help with educational and career planning and make referrals for personal counseling. The Counseling Office is open during school hours and appointments may be made at any time. See your counselor when you:

- Need help in planning or adjusting your academic program
- Want information about future career or educational opportunities
- Are experiencing problems in any of your classes
- Would like to review your past record of achievement and/or interpretation of various individual tests you have taken in school
- Are involved in situations that are preventing you from doing your best in school

Emergency Drills

In accordance with MCL 29.19, Am. 2014, Act 12, Midland Public Schools makes available a listing of all safety drills conducted from July 1, 2014 onwards on its building websites.

Homebound Services

Students who are homebound or hospitalized due to a serious medical condition may request Homebound Teaching Services. The homebound program is coordinated by the assistant principals. If you desire more information about this service, please call the Student Services Office.

Injuries at School

All accidents should immediately be reported to the teacher in charge and the main office. This includes accidents in the gymnasium, playing fields, locker rooms or laboratories. **THE MIDLAND SCHOOLS DO NOT CARRY INSURANCE TO COVER ANY MEDICAL EXPENSES OF STUDENTS.** These expenses should be covered by the parents' or guardians' personal insurance plan. If you do not have accident insurance, you are encouraged to consider purchasing a voluntary accident insurance policy. For more information, contact the Main Office

Medications and Immunizations

Per statute, school staff cannot administer medication, including aspirin, prescription drugs, or over-the-counter medications, unless a permission form is signed by the

student's parent or guardian and physician and is presented to the school. All medications need to be supplied by the parent/guardian. Phone call requests to administer medication cannot be honored. Administration of the medication will then be done by a school staff member (*in the presence of another adult*) in compliance with your physician's instructions. Students should not possess medication unless the office has been made aware of it and the appropriate paperwork is received by the office. "Medication" includes prescription, nonprescription, and/or herbal medications taken by mouth, by inhaler, injection, applied to the eyes or nose, or to the skin. Parents should notify the student's counselor and/or teachers if the student has a health concern or medical problem that should be known to the school staff.

State law requires that students attending Michigan schools have required immunizations. Reference MPS Board Policy #5320 for guidance.

Student Information and Posters

All student information and posters or other printed material must be cleared with the principal before being displayed.

Transcripts/Records

Student records are maintained by staff in the Main Office. Seniors may obtain a copy of their transcript by utilizing the online Parchment Exchange system. Transcripts of students transferring to MPS from other districts will be evaluated based on the MPS curriculum. Weighted grades from other districts will be granted only for similar courses offered by MPS. Accelerated transfer credits will be given accelerated weight only if MPS has the same course that is also accelerated. If not, .2 credit will be issued. Honors credit from another district may receive honors, accelerated, or regular (.2) transfer credit depending on the related course in MPS. Midland Public Schools will not alter an incoming transcript to reflect increased or decreased weight for courses from the transferring school

system. Questions regarding transcripts and records should be directed to the Registrar

Work Permits

A work permit is required by law for all students under 18 who have a part-time job. Students who need a work permit may apply through the Main Office.
