is a great communications tool for you to connect with me. Every message comes to my desktop. Either I or a member of our staff will do all we can to reply to your message the next work day. Click on the green MPS Connect box on our MPS website (www.midlandps.org) to connect with me!
On September 27, MPS Welding Technology 2 students attended the Miller Road Show at Ferris State University. Miller (the largest manufacturer of welding machines) takes their truck around the country each year to show off the latest welding equipment and to promote the many careers in the welding industry.

Since the Road Show was parked at Ferris for the day, the group also took the opportunity to tour Ferris’ Welding Engineering program. Ferris has one of only five Welding Engineering programs in the nation; it was impressive to see how many MPS graduates are in the programs.

Students enjoyed seeing the state-of-the-art equipment and were amazed at the many career opportunities available in the welding industry.

This Year’s **Marching Band Showcase** is **Wednesday, October 12**, beginning at 5:30 at the Midland Community Stadium. The MPS bands will perform around 8:00 pm.

MPS Shining Star Nominations are now being accepted for MPS staff members who you feel make MPS a better place for students. Please take a moment to nominate an MPS staff member today. [http://midps.org/shiningstarform](http://midps.org/shiningstarform)
