REQUESTED BY:

- PARENT/GUARDIAN _____
 STUDENT _____ (18 or older or emancipated minor)
 SCHOOL PERSONNEL _____

The Midland Public Schools/Michigan Merit Curriculum requires that the student earn credits in the subject areas listed below in order to graduate from high school. Credits are earned when the student passes courses to demonstrate competencies in content expectations in the given subject areas. The law allows certain modifications of these requirements through the development of a personal curriculum. A Personal Curriculum Committee will meet to discuss requested modifications.

Please attach a copy of the student's most recent IEP and a copy of the student's most recent Education Development Plan. (Can be printed from Career Cruising/ConnectEDU or complete the reverse side.)

I am requesting modification(s) of the Michigan Merit Curriculum for the following:

Requested for _____ Subject area _____
 The Midland Public Schools may grant a student with an Individualized Educational Plan (IEP) a modification of up to ten percent lower passing score than the minimum requirement for general education students in any general education class for the final grade in each marking period. This modification will only be approved if the need is due to the student's disability.

Please check the open box(es) below to indicate the course(s) you would like to replace.
