PERSONALIZED ACADEMICS THROUGH HIGH SCHOOL

ESSENTIAL AGREEMENT AND CONTRACT

The PATHS program is structured differently than your traditional school experience. The course taken in the high schools or the community programs will operate on the schedule specific to that setting. For the online segment, we operate in three phases of independence. If they are successful in each phase, they can move on to the next level. Failure to meet the expectations of the Phase will result in returning to the previous Phase.

Phase 1 (The first 2-3 weeks): Students will be expected to

- **ATTEND** daily sessions in the Personalized Learning Center.
- complete at least **15** activities+ **PER** course **PER** week based on number of online courses
- maintain a strong attendance pattern.
- demonstrate the ability to use the online program.
- Parent communication and agreement to move to Phase 2

Phase 2 (The next 2-3 weeks or when successful): Students will be expected to

- **ATTEND one** session during the week in the Personalized Learning Center.
- log a minimum of 15 hours per week at home.
- log in daily.
- complete at least 15 activities+ **PER** course **PER** week based on number of online courses
- Parent meeting to move to Phase 3

Phase 3 (Until the end of semester): Students will be expected to

- **ATTEND** as needed for supervised testing in the Personalized Learning Center.
- log a minimum of 15 hours per week at home.
- log in daily..
- complete at least 15 activities+ **PER** course **PER** week based on number of online courses

Initial to agree:

Of course, students are always welcome to attend the Personalized Learning Center during the regular hours to work and get support. There will also be special opportunities that students can participate in that will earn points as part of their program.

This is an opportunity and there are expectations that are designed to help the student to be successful. Students are expected to:

- demonstrate a high level of conduct and integrity
- adhere to the district's computer Acceptable Use Policy and Code of Conduct
- maintain at least weekly contact with their instructor (phone, email, text, in-person)
- work consistently and make progress weekly.
- take state testing as required.
- Agree to the program contract and the requirements of the program.

Initial to agree:

Just as every other aspect of the program, the framework of the program is flexible and can be individualized based on the documented needs of each student and their family.
