2.5 Administration is seeking approval to deliver a purchase order to Bomgar Corporation of Ridgeland, MS for $14,311 for one Bomgar B200 remote support appliance, six standard concurrent user licenses, and first year maintenance. The Bomgar B200 appliance will allow us to provide remote support to multiple platforms both on and off the MPS network. This will provide a more robust support experience for computer and mobile device users. This expenditure was included in the regular budgeting process for 2012-2013 and is being paid for out of general funds.

2.6 Administration is seeking approval to deliver a purchase order to PC Mall Gov, Inc. of Chantilly, VA for $19,058.80 to purchase Griffin Survivor iPad cases to provide protection for the student issued devices that are part of the Midland Public Schools iPad Action Research Initiative. Investing in a high-quality case will help reduce the need for repairs/replacements during the initial project which is being supported by funds set aside within the annual technology budget. PC Mall Gov, Inc. was the lowest of four bids. This expenditure was included in the regular budgeting process for 2012-2013.

2.7 Administration is seeking approval to deliver a purchase order to Unique Software Corporation of Eagan, MN for $17,513 to purchase iPad sync carts. Pricing includes seven Lock N Charge iQ 32 Sync Carts that will be used primarily to manage the content on each of the devices that are part of the Midland Public Schools iPad Action Research Initiative. Each cart includes two removable sync stations that can sync 16 devices each and may also be used to secure and transport any iPads that parents elect to leave at the building overnight. Unique Software Corporation was the lowest of two bids. This expenditure was included in the regular budgeting process for 2012-2013.

2.8 Bids were recently received from electronic security vendors to provide Access Control Expansion for four (4) exterior doors in the transportation, grounds and maintenance buildings. The administration recommends that a purchase order be issued to the low bidder, Allen Supply, of Saginaw, Michigan for a cost of $5,400 to provide the labor and materials for the installation of the locks.

2.9 Bids have been accepted and a tabulation is provided for one (1) AccuTemp Convection Steamer for Jefferson Middle School. The current steamer has been inspected and it was determined it could not be repaired. The administration recommends issuing a purchase order to the low bidder, Stafford Smith of Bay City, Michigan for a total delivered price of $5,400.

2.10 Administration is recommending that a compensation increase from the “cost” of an eleven (11) month to a twelve (12) month contract be authorized by the Midland Public Schools Board of Education for Mr. Randy Schaedig, who is currently the district’s Science Coordinator. Mr. Schaedig will lead the district’s continued exploration of a potential New Tech Program and have primary responsibilities for working with the New Tech Organization, local business partnerships, internal planning committees and oversight of this potential MPS program. Mr. Schaedig will be paid a stipend for these added responsibilities for the 2012-13 school year. Appointing Mr. Schaedig as the
district’s lead administrator for New Tech has the support of the Finance, Facilities, and Operations (FFO) and Curriculum, Special Services (CaSS) Board of Education Study Committees.

2.11 Approval of the payment of the school system’s bills for the month of July and August 2012, as listed in the check register prepared by Ms. Laux, in the total amount of $10,548,199 is recommended. The distribution of obligations, by fund, is as follows:
