At its August 28, 2000 meeting, the Board approved a switch to ConnectCare medical and prescription benefits effective November 1, 2000. The switch moved the district from an indemnity (monthly premium) plan to self-insurance, whereby Midland Public Schools provides all funds for payment of claims.

To protect itself against catastrophic claims on both a specific (individual) and aggregate basis, the district purchases stop loss insurance. As of October 1, 2014, stop-loss payments since 2000 total $1,781,323.86.

Bids for the 2014-15 insurance year were solicited by Key Benefits Administration/ConnectCare. the district’s third party administrator. Munich Re, one of the world’s leading reinsurers, was the only bidder.

The table provided shows the 2013-14 rates and the proposed rates for 2014-15.

Accordingly, the administration recommends the purchase of medical stop loss insurance from Munich Re, for the twelve-month period beginning November 1, 2014.
