Curriculum Office Reorganization
Brian Brutyn shared a flowchart describing the reorganization of the curriculum office structure and personnel. The administrators are supported by Teacher Leader I’s and Teacher Leader II’s that are level and content specific. Office Professionals and Administrative Assistants were realigned accordingly.

2013-2014 MPS Data Review
MEAP and MME Trends
- A presentation of 2013-2014 MEAP and MME scores by Brian revealed that the historical trend of significantly outpacing state averages by 10 – 25% (app.) across grade and content levels continued.

Accountability Scorecards
- Brian shared MDE Accountability Scorecard data with the group. Major data points presented included the following:
  - 9 MPS Schools were given a yellow rating; 2 (Adams and Carpenter St.) received a lime rating.
  - Individual subject area score cards revealed that MPS performed beyond proficiency target goals in every ‘all students’ category. Specific focus on subgroup proficiency targets that were not met will be a top priority through the 2014-2015 school year.

Top to Bottom/Focus Schools
- As a part of the data presentation, Brian reviewed annual Top to Bottom rankings. MPS had 3 schools above the 90th percentile, 4 between the 80th and 90th percentile, 2 between the 70th and 80th percentile, 1 between the 60th and 50th percentile, and 1 between the 40th and 50th percentile.
- This is the third year of the MDE determining and labeling schools as Reward, Focus, and Priority schools. For the 2014-15 year, Carpenter St. Elementary and Midland High School were determined to be Focus Schools reducing the number of identified Focus schools from 5 in 2012-2013 to 2 in 2014-2015.

Special Note:
- Significant changes coming to the state assessments were briefly discussed.
  - The changes are scheduled to be reviewed at the November CIA meeting once details become more readily available from the MDE

6. 5. Brandstadt/Gorton moved for approval of the following item: Stop Loss Insurance Coverage
At its August 28, 2000 meeting, the Board approved a switch to ConnectCare medical and prescription benefits effective November 1, 2000. The switch moved the district from an indemnity (monthly premium) plan to self-insurance, whereby Midland Public Schools provides all funds for payment of claims.

To protect itself against catastrophic claims on both a specific (individual) and aggregate basis, the district purchases stop loss insurance. As of October 1, 2014, stop-loss payments since 2000 total $1,781,323.86.

Bids for the 2014-15 insurance year were solicited by Key Benefits Administration/ConnectCare, the district’s third party administrator. Munich Re, one of the world’s leading reinsurers, was the only bidder. The table provided showed the 2013-14 rates and the proposed rates for 2014-15.

Accordingly, the administration recommended the purchase of medical stop loss insurance from Munich Re, for the twelve-month period beginning November 1, 2014.

10.1 Board members expressed their …

- sincere thanks to our very generous gift donors this evening for their support.
- congratulations and best wishes to this month’s Shining Stars—Kristi and Gary.
- invitation to the MPS Fiesta on Friday, November 7 from 6:30-9:00 at Central. Come and enjoy a fun evening of Hispanic customs, dance, foods and crafts.
- praise for the costuming, sets and acting of the MHS drama students in their recent
performances of *The Great Gatsby*. It was a great event.

- appreciation for last week’s Band Showcase. What a great event for local high school bands to showcase their musical talent and creativity.
- appreciation for the enthusiasm shown in the student sections at MPS sporting events this year.
- thanks to Mrs. Lipsitt, Mrs. Renfro, Mrs. Flegenheimer-Riggle and Mrs. Harshman-Rogers for their enlightening IB PYP presentation this evening. It is exciting to learn about the International Baccalaureate Primary Years Programme journey in our elementary schools.
- anticipation for the high school soccer teams who are heading into districts tonight.
- admiration for H. H. Dow High’s new vision statement—“To be the best high school in Michigan.”
- appreciation to the League of Women Voters of the Midland Area and AAUW Midland Branch for hosting the recent Board of Education Candidate Forum.
- encouragement for voters to vote in the November 4 election, which includes the District’s operating millage. This millage is a renewal—a Zero tax increase; it is an essential millage for our schools. We appreciate our community’s support.
- anticipation for the November 4 election. Good luck to those running for Board of Education seats.

10.2 Announcements from Superintendent Sharrow

- Thank you to the Midland League of Women Voters and American Association of University Women who did a wonderful job with the recent Board Candidate Forum. The Board candidates answered the questions well. It was a pleasure to listen to the candidates as they articulated making decisions based on doing the right things for our schools and students. It is a pleasure to see our two board hopefuls in tonight’s audience.
- February bond proposal Update: We have a meeting with The Michigan Department of Treasury on Wednesday of this week. We look forward to giving more details about this proposal once we are allowed to do so after final approval is received from the Department of Treasury. To comply with State bond application timeline regulations, a special Board meeting is scheduled for Monday, October 20, for board approval of the Preliminary Qualification Application for the February 2015 Bonding Proposal.
- As you may remember, we had a number of students come and address the board at the end of the last school year regarding including Martin Luther King Jr. Day as a student holiday. The students did a similar presentation to the District/MEA calendar committee recently. A final decision has yet to be made for the 2014-15 MPS calendar; however, MLK day will certainly be looked at for consideration by the calendar committee for 2015-16.
- A Letter of Agreement was signed to remove an outdated salary schedule that is very similar to another MPS salary schedule. This is an adjustment to today’s standards set by the State of Michigan going forward.
- We will be bringing our annual summer tax resolution to the Board for action in November. Moving forward, we may want to consider collecting 100% of the taxes
in the summer, instead of 50% in the summer and the remaining 50% in the winter as has been past practice. This would not mean any additional taxes for our taxpayers, however, by collecting 100% in the summer, it would assist us with our cash flow during the month that we do not receive a school aid payment from the State of Michigan. If we do decide to pursue this, we would want to give our taxpayers a great deal of notice so they can plan accordingly.

- The Dow High music program’s beautiful new trailer is another great example of our wonderful community partnerships—donations from many people made this beautiful trailer possible.
- The fall count day was Wednesday, October 1. We are still looking at the numbers and will give you a report once the numbers are audited and checked. Initial figures indicate that we will be over the anticipated student count we used for 2014-15 budgeting.
- Because of a scheduling conflict of a Board member, beginning in January 2015 we are proposing changing the Board meeting dates to the 1st and 3rd Mondays when two meetings are required in a month, and to the 3rd Monday when one meeting is required. If there are no conflicts by other board members, these dates will be voted on at the January Organizational Meeting.

11. ADJOURNMENT

The meeting was adjourned at 8:07 p.m.
