4. BOARD OF EDUCATION MATTERS--PRESENTATIONS TO THE BOARD
FOR ACTION
4. 1. Approval of Summer Tax Rate (Cooper)
The Board of Education must certify the tax rate that is to be levied in the summer of
2016 on the property of the school district, which is within the City of Midland.
Administration recommends approval of the attached resolution.

4. 2. Michigan High School Athletic Association (M. Sharrow)
The Michigan Attorney General ruled in 1977 that the Michigan High School Athletic
Association (MHSAA) is a private organization, and therefore, cannot be delegated
governmental authority to regulate public school athletics. However, a school district may
join the Association and may adopt the Association's rules as its own. The school district
must then accept the responsibility to enforce these rules in the district. The Midland
secondary schools have long been members of the MHSAA.
A copy of the minutes of the May 2016 meeting of the Representative Council of the MHSAA, which provides information on athletic changes for the 2016-17 school year, has also been provided. The administration recommends that the Board

- Approve membership in the MHSAA for the four Midland Public Schools' secondary schools again in 2016-17.
- Adopt the rules of the MHSAA as published in its current HANDBOOK and qualifications as published in the Bulletin with above changes, to govern athletic competitions in the Midland Public Schools in 2016-17.
- Accept the responsibility of enforcing these rules for the Midland Schools. A formal resolution embodying these recommendations is attached. A roll call vote of the Board will be taken; the Board's secretary is authorized to sign the resolution if approved.

4. 3. Meal Magic Suite Purchase (Cooper)
In order for the MPS Food Services Department to operate more efficiently, an area identified for improvement is the current software (which forces extensive manual and redundant work) used to administer MPS food services. The MPS food service, finance and technology departments have been researching other viable software programs. It has been determined that Meal Magic is the preferred software by many districts in Michigan (including other Chartwells locations). Administration recommends the purchase of the Meal Magic Suite (which includes Meal Magic, Send Money to School, and LunchApp) from Meal Magic Corporation of Grand Haven, Michigan for $9,770.
