Bids were accepted for audio hardware, software upgrades and updating/replacing of equipment. Administration recommends issuing a purchase order to the low bidder, Advanced Lighting & Sound of Troy, Michigan, for $38,913 which includes alternates 2, 3, and 4. This purchase will be funded from the City of Midland grant ($33,000) with the remaining amount coming from the general fund.

3.8. For Action: Bond Construction Bids -- Administration recommends approval of the following, which are part of the Bond Projects utilizing Series 1 Bonds (Sharrow)

3.8.1. Asbestos Abatement at Siebert and Chestnut Hill Elementary Schools
   Bids were accepted for asbestos abatement work by NOVA Environmental as part of the construction/renovation activities at Chestnut Hill and Siebert Elementary Schools. The proposed projects involve the removal of pipe and pipe fitting insulation, windows and doors, flooring, plaster, caulks and other miscellaneous materials. There was a single bid received. NOVA reported that four contractors were at the project walk through, but after bid close, three reported that the work and schedule would not fit their current summer work load so they did not submit bids. Based on the abatement work completed for the district in 2016 and 2017 by
the single bidder, Quality Environmental Services, and that the bid was in line with similar work completed last year, NOVA believes the bid is very competitive and recommends acceptance. Administration recommends issuing a purchase order to the low bidder, Quality Environmental Services, Inc. out of Gladwin, Michigan, for $254,359.

3. 8. 2. Furniture Purchase for Plymouth Elementary Makerspace
With the projected opening of the new makerspace at Plymouth Elementary scheduled for an April/May window, makerspace furniture needs to be purchased to allow for the proper lead time. Design work and purchasing procedures developed from prior projects, including purchasing through national contracts, which ensures that the owner will get the specific products selected at the price negotiated through the national agencies’ competitively leveraged solicited contracts were used. Administration recommends issuing a purchase order in the amount of $30,927.60 to Great Lakes Furniture Supply, Inc. of Holland, MI.
