Victory Day — Way to go, Midland High!

An amazing memory was made on September 23, not only for the students with special needs who had the chance to score a touchdown with the Chemic varsity football team or cheer with the Chemic cheer squad, but for the football players, cheerleaders, pommers, Chemic band members and everyone in the stands who saw the joy expressed on the faces of the 21 students who participated!

In the Wednesday, September 25 Chemic Salutes during morning announcements was this message, “Victory Day - A huge shout-out to everyone that was involved in Monday evening's Victory Day! A special thanks to the Varsity football team, cheerleaders, pommers, MHS band, and the rowdy student section that was cheering for every student. Thanks so much for expressing such enthusiasm for your fellow Chemics!

MPS CONNECT is a great communications tool for you to connect with me. Every message comes to my desktop. Either I or a member of our staff will do all we can to reply to your message the next work day. Click here to connect with me: https://goo.gl/forms/ciB8b7FAMXb4pQxN2
Last week, MPS hosted a group from the Midland Business Alliance’s Leadership Midland. It was wonderful to share the great things going on at MPS with these local business leaders.

Thank you to the Administration and students at Midland High and Jefferson Middle Schools for being such gracious hosts as our visitors took a ride on one of our big yellow buses and toured these MPS schools!

ANOTHER GREAT EVENT BROUGHT TO YOU BY YOUR ELEMENTARY PHYSICAL EDUCATION STAFF ...

The Midland Public Schools’ 4th and 5th Grade Fun Run will take place, Friday, October 11, 2019, at Stratford Woods City Park. The first race will start at 4:45 pm. The Fun Run is a one-mile run on the cross-country course at Stratford Woods. All races will begin near the pavilion.

The purpose of the Fun Run is to stimulate interest in cardiovascular endurance among students and to provide them with distance experience.

Please see your student’s physical education teacher for a permission slip and to answer any questions.

Plymouth Elementary 2nd graders learned from School Resource Officer, Officer Hawkins, about the roles and responsibilities he has in our community, and how he helps to make our community unique. Students learned about the tools that help him do his job, what education he needs to do his job successfully, and his favorite part of the job.
