Construction / In Progress:

Chestnut Hill/Siebert Additions:
- Interior painting at Chestnut Hill and Siebert is 100% complete.
- Flooring installation is complete.
- Installation of the game lines in gymnasiums is complete.
- Installation of the acoustical ceiling grid and tile is in its final stage.
- Boiler replacement at Siebert is complete.
- Kitchen equipment has been delivered and being installed.

Woodcrest Elementary Addition:
- Addition is complete and turned over for use by the building.

Look Ahead:
- Coordinating final inspections with authorities having jurisdiction to allow for turnover of the additions.
- Upon successful turnover will begin demolition in old gym spaces that will be converted into new media center.
- Currently bidding 2019 work and will provide recommendation before the end of the year.
