REQUEST FOR PROPOSAL

ASPHALT PARKING LOTS & DRIVES CRACK FILLING, SEALCOATING AND LINE STRIPING 2020
MIDLAND HIGH RECEIVING DRIVE
CENTRAL PARK ELEMENTARY PARKING LOTS

SCOPE:

The scope of work must include, but is not limited to:

General Specifications:

The below listed specifications are intended as general guidelines to be followed by the contractor in preparing a proposal and during the ensuing project. The brand name materials listed are intended as a standard to be met and contractors may submit alternates that are equal to or superior to the products listed.

- In all circumstances the work to be performed shall be of first class quality by employees skilled in the respective trade and knowledgeable about the product and equipment being used. These general specifications are intended to list the major tasks in order to achieve a first class project even if each specific task is not listed herein.

- All parking lot surfaces shall be power cleaned removing all loose gravel, asphalt and debris.

- All parking lot edges shall be dressed out and all weeds and grass removed from the edges and disposed of.

- All surface exposed cracks shall be hot pour filled prior to seal coating. This shall include all cracks 3/8” or more. Cracks shall be filled with any of the approved.
Following products or equals to: CrackMaster Supreme Hot Pour Crack Sealant SMT-190 by Sealmaster, Deery 102P Hot Applied Sealant by Deery American Corporation or Crafco Road Saver 534 Crack and Joint Sealant by Crafco Incorporated.

- Any area too large to be hot pour filled will need to be saw cut out or air hammer as to square off the area and patched with asphalt to the existing depth of the original asphalt.

- Asphalt shall have a temperature of at least 275 degrees Fahrenheit and be rolled with a power steel roller as required for a dense mass.

- All repairs shall be level with the surrounding pavement.

- Care shall be taken so as to not cause damage to Midland Public Schools property and any adjoining property with equipment or materials. Contractor is responsible for any damage to District or other property caused by their neglect.

- Where the asphalt sealing comes into contact with concrete flat work, special care shall be taken to prevent the asphalt sealer from spraying or being applied to the concrete. Provide a clean, neat application. Failure to do so may result in price deductions.

- All parking lots shall receive two (2) coats of coal tar sealer with any of the approved following products or equals to: SealMaster Coal Tar Concentrate Pavement Sealer SMT-100 by Sealmaster, Jennite Coal Tar Pavement Sealer by Neyra Industries, or SealPave by Surface Coatings Company.

- Application should not be made unless pavement and ambient temperatures are above 50 degrees F and good drying conditions are present or can be provided for the next 24 hours.

- Schedule of work shall be such that no vehicular traffic is normally on parking areas for 24 hours.
• All bidders shall supply technical data sheets on the sealing material proposed. Documentation of the product used by the successful contractor at the rates specified shall be provided to the District.

• All areas with surface markings shall be striped following the same layout (unless specified different in drawing) using yellow marking paint. The paint material used shall be Traffic Zone latex paint sprayed on for asphalt surfaces. All handicap accessible spots must be marked in blue and white and meet all marking requirements of the Americans With Disabilities Act.

• Contractor is responsible for final measurements. District measurements are acquired through satellite and site plans.

**Work Timeline**

The work shall start as soon as the district and awarded contractor can come to an agreed upon start date and shall be completed by August 17, 2020.

**Instruction to Bidders**

1. It shall be the bidder's responsibility to read this entire document, review all enclosures and attachment, and comply with all requirements specified within.
2. Bids received after the scheduled opening time will not be accepted.
3. The only bids accepted will be hard copy paper bids.
4. No bid may be withdrawn, changed or modified in any way for a period of one hundred eighty (180) calendar days from date of bid opening.
5. Negligence on the part of the bidder in preparing the bid confers no rights for the withdrawal of the bid after it has been opened.
6. Bids received prior to time of opening will be kept securely unopened. No responsibility will be attached to school district employee who prematurely opens an incorrectly addressed bid proposal.
7. If either a unit price or extended price is obviously in error or the other is obviously correct, the incorrect price will be disregarded.
8. Midland Public Schools is exempt from state and federal taxes.
9. All bids are subject to acceptance by Midland Public Schools Board of Education which reserves the right to accept or reject any or all bids, to split awards by items, to waive irregularities or defects, and accept other than the low bid when deemed to be in the best interest of Midland Public Schools.
10. The laws of the State of Michigan shall govern rights, obligations, and remedies of the Parties under this bid and any agreement reached through this process.
11. All information included in a bid response is subject to the Freedom of Information Act and may be disclosed in its entirety after the formal, public bid opening has been completed.
12. By submission of the proposal, the bidder certifies that the pricing structure offered has been arrived at independently without consultation, communication, or agreement of such prices for the purpose of restricting competition with any other bidder or competitor.
13. The bidder agrees to hold and save Midland Public Schools, its officers, agents and employees harmless from liability of any kind, including costs and expenses, with respect to any claim, actin, cost or judgment for patent, copyright or trademark infringement arising out of the purchase or use of equipment, materials, supplies, or services covered by this bid document.
14. The contractor shall provide items of a minor nature, not specifically noted in these specification, so as to provide a complete, operable and Owner acceptable service.
15. Contractors are required to comply with the Safety Rules and Accident Prevention plan. The district reserves the right to exclude any worker(s) from the job site(s) for violation of these work rules or any other such offenses deemed inappropriate by the District.
16. The contractor shall clean their job area daily and dispose of all trash and debris leaving the area broom clean.
17. It is the responsibility of the contractor/bidder to field verify all existing field conditions. Bidders shall inspect the work site and take such steps as may be reasonably necessary to ascertain the nature of the work; and general and local conditions which can affect the work or cost thereof. Failure to do so will not relieve the bidders from responsibility for estimating properly the difficulty or cost of successfully performing the work.
18. The sites are available for your inspections by appointment.

Iran Economic Sanctions Act Certification

I am the__________________________ (insert title) of ______________________ (insert bidder company name), or I am bidding in my individual capacity ("Bidder"), with authority to submit a binding bid for the provision of services to Midland Public Schools. I have personal knowledge of the matters described in this Certification, and I am familiar with the Iran Economic Sanctions Act, MCL 129.311, et seq. ("Act"). I am fully aware that the school district will rely on my representations in evaluating bids.

I certify that Bidder is not an Iran-linked business, as that term is defined in the Act. I understand that submission of a false certification may result in contract termination, ineligibility to bid for three (3) years, and a civil penalty of $250,000 or twice the bid amount, whichever is greater, plus related investigation and legal costs.
